Forecast for Monday 07 Jun 2021

Weather: Low cloud becoming more extensive across the Braes of Angus and easter Perthshire Hills, possibly the eastern Aberdeenshire hills too, overnight and this gradually burning off in the morning, possibly lingering to midday over Angus. Otherwise bright with some sunny spells and staying dry. Some patchy fairweather cloud bubbling up as temperatures rise, perhaps with the outside chance of a late shower over the Ochils.

Chance of cloud free mountain/hill tops above 800m: 80% rising 95% or more.

Visibility: Very good, but poor in early low cloud based at 300-700m in the east.
